Hello!

*I'm Hanna, an artist and
illustrator based in the UK, and
I'm the creative mind behind the
'Dear Delilah...' Design Studio.*

*With over 15 years of experience
in the creative industry, I've
dedicated the most recent part
of my journey to live event
illustration.*

*I count myself incredibly lucky to
work closely with couples,
creating live wedding sketches
that add a sprinkling of magic to
their special day.*

*With live illustrations
drawn on the day, your
celebration becomes a
piece of art.*

*From beautiful sketches of your
venue to portraits of you and
your guests, the magic of your
day is captured in my sketchy,
inky, signature style - and
displayed in an ever-growing
gallery to bring joy to all those
involved.*

*These treasured illustrations
serve as great mementos for
your guests and ensure that
your wedding day lives on, ready
to be cherished for a lifetime.*

Packages, Pricing & FAQs

To make things super simple, I currently have three packages available.

- ***1) The Guests***
- ***2) The Magic Moments***
- ***3) The Full Day***

Ready to celebrate your special day with live illustrations?

Choose your package and let's get drawing!

1) The Guests

A SPRINKLING OF MAGIC

***Give your guests a gift
they'll never forget!***

I'll draw playful sketches that capture the joy and personalities of your friends and family as they celebrate your special day.

From candid moments to animated expressions, my live illustrations will focus on the vibrant tapestry of your guests, creating delightful and heartwarming keepsakes.

What's included?

Up to 8 hours illustrating your guests during 'guest mingling time' - this is usually during the drinks reception, after the main meal or during the evening party.

I take photographs of your guests and draw digitally from the image, which means they do not have to hang around and wait for their portraits. But of course, they are more than welcome to watch!

1) The Guests

A SPRINKLING OF MAGIC

Can I choose who you draw?

Absolutely! I either use a first come, first served system, or you can give your closest friends and family priority tokens to jump the queue!

What artwork will we receive?

For live events I draw digitally, this ensures I can draw up to 6x more illustrations!

Your unique and fun guest portraits will be drawn on my iPad, printed and then framed on the day – guests can take their portraits home when they leave. I will later send you digital copies of each portrait for you to keep, treasure or even put on a tea towel!

How many portraits can you do?

I paint an average of 10 single people, 6 couples or 4 families per hour at the level of detail and quality shown. I can also take photographs on the day and draw after the event for an additional charge of £25 per portrait.

I also have a trusted black book of artists that I regularly work with who can be called upon as an extra pair of hands on the day if you'd like a little more magic.

Rates for 2023/2024

*2 hours - £400 | 3 hours - £575 | 4 hours - £750

Bookings under 4 hours are not available on weekends unless in the Midlands or at short notice.

2) The Magic Moments

UP TO 5 ILLUSTRATION HOURS

The magical moments shared between the two of you, captured in ink. From the tender glances during your ceremony to your first dance as a married couple, this package turns your love story into art.

'The Magic Moments' package includes up to 5 hours of illustration time, and is fully tailored to suit you.

What's included?

'The Magic Moments' gives you 5 hours of illustration during your wedding day, split across two 2.5 hour sessions. My focus is you and your special day, which means guest illustrations aren't included in this package.

Can I choose what you draw?

Absolutely! This package is fully customisable and tailored to suit you – popular moments include the ceremony, bride & groom portraits, illustrations of the venue, cutting the cake, and the speeches. We will have a planning meeting prior to your wedding to discuss the 'unmissable moments' and from there we will create a schedule for the day.

2) *The Magic Moments*

UP TO 5 ILLUSTRATION HOURS

Can you draw our guests too?

The 'Magic Moments' package is all about you! Which means it doesn't include guest portraits, but please feel free to take a look at my other packages or drop me an email if you'd like to discuss something bespoke.
